Data processing services

Fathom Analytics (Conva Ventures Inc.) is an anonymized statistics service provided by Conva Ventures Inc. which allows the Owner to obtain information on the use of this Website by Users, without the need to identify them. The collected data is anonymized using hashing techniques. For further information, you can consult the documentation on the provider's website: <https://usefathom.com>, including the Data Processing Agreement: <https://usefathom.com/dpa>.

Collected information

When you visit www.milink.it, we automatically collect certain information about your device: information about your web browser and IP address. Additionally, as you navigate the site, we collect information about the web pages you view, websites or search terms that refer to the site and how you interact with the site. We refer to this automatically collected information as "device information".

Why we process data

The security of customer data is our priority, therefore we only process user data strictly necessary to operate the site. The information collected automatically is used only to identify

potential cases of abuse and establish statistics about the use of the site. This statistical information is not aggregated to identify a specific user of the system.

Your rights

If you are a resident of the European Union, you have the following rights regarding your personal data:

- The right to be informed.
- The right to access.
- The right to modify.
- The right of deletion.
- The right to limit processing.
- The right to data portability.
- The right to object.
- The right in relation to automated decision-making and profiling.

To exercise these rights, please contact us using the contact information below.

Links to other sites

Our site may contain links to other sites that are not operated or controlled by us. Please note that we are not responsible for the privacy practices of other sites or third parties. We encourage you to be aware if you leave the site and to read the privacy statements of each site that may collect personal information.

Information security

We secure the information you provide on controlled computer servers, a secure environment protected from unauthorized access, use or disclosure. We maintain reasonable physical, technical and administrative safeguards to protect against unauthorized access, use, modification and disclosure of the personal information we maintain. Nonetheless, no data transmission over the Internet or wireless network can be completely guaranteed to be secure.

Legal warning

We will disclose information collected, used or received if required or permitted by law, such as to comply with court orders or similar legal process, or if we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to government requests.

Contact info

For any matter related to individual rights or personal information, you can send an email to segreteria@hofima.it.
